

**A Gift from the President of the I. O. C.
to the Olympic Museum in Lausanne.**

To commemorate his eightieth birthday, Mr. Sigfrid Edström, president of the I. O. C., has presented the Olympic Museum in Lausanne with a bronze bust of himself. This magnificent work of art has been executed in Paris and will henceforth occupy a place of honour in the museum. On behalf of the I. O. C. we wish to convey again our most hearty thanks to Mr. Edström for his most precious and greatly appreciated gift.
