## **LORD LUKE**

*membre du C. I. O. pour la Grande-Bretagne  
depuis 1941.*

Replying to our request, Lord Luke writes: I have no record in sport, though I used to take part in Athletics and still play tennis and hunt. One of my greatest interests is encouraging and assisting others with their sports as President of the Bedfordshire Amateur Athletic Association and Vice-President of the Counties Athletic Union. As Chairman of the National Playing Fields Association I endeavour to further the interests of players of all outdoor games.
