

### **News from Korea**

We are pleased to inform our readers that we have received news from the Korean Olympic Committee telling us that there is a considerable revival in the field of sports. Various matches and contests have been held behind the front, reflecting the ardent desire to restore sports to their former position. At the end of October last an important meeting has been held with the participation of 3 000 outstanding contestants in 15 events.

Our best wishes to all our Korean friends. The official address can be seen in the list of this Bulletin (cable address: Kolmcom, Seoul).
