

About the protection of Olympic Emblems

RESOLUTION

accepted by the I. O. C. at the Oslo Session.

The I. O. C. welcomed the proposal of Dr. Antoine Hafner that the Swiss Olympic Committee should ask the Swiss Government to call an international conference to try to reach agreement on the best methods of safeguarding the use of the Olympic Symbols and the words « Olympic Games », « Olympiad », etc., and it invites National Olympic Committees to do all in their power to

ensure the active cooperation of their governments.

It was also decided by the I. O. C. that although the copyright of the Olympic Symbols, and where possible of the words « Olympic » etc., would be vested in the I. O. C., this body normally would delegate its authority to decide on their use to the National Olympic Committee of each country.
