The Rumanian Olympic Committee draws our attention on the fact that in the sport of shooting in the event « small-bore Rifle Prone » the rumanian shooter, placed first (as well as the russian B. Andreev placed second), has established an Olympic Record, what we missed to bring in our list. Further, in the 1000 m. time trial of Cycling the rumanian athlete I. Ionita is placed « ex aequo » at the sixth place together with the Danish runner V. Hansen. In our list his name was missing.
