

### **TO OUR READERS**

**Owing to the ever-increasing cost of expenses, in connection with the editing and publishing of the Bulletin, the cost of which is borne by our Committee, we feel compelled to launch an urgent appeal to our readers, in order to remind them to kindly pay their modest subscription.**

**This subscription amounts to 10. Swiss Francs for the current year, i. e. 1953. This sum can be paid to the I. O. C.'s Compte de Chèques postaux II. 2282 or to our banking Account with the Banque Cantonale Vaudoise, Lausanne.**

**We thank in anticipation all the readers who by their contribution will be helping us to publish the Bulletin.**

**(The Bulletin is sent free of charge to all the members of the I. O. C., the National Olympic Committees and the International Federations.)**
