

About the II. Pan American Games

We publish in this edition 4 photos of the installations in Mexico-City, where the II. Pan American Games will be held from March 12th. to 26th. 1955. The Organizing Committee expects entries from twenty-seven different American countries, therefore full success of those Games is assured.

Swimming and diving pools at the University of Mexico for the II. Pan American Games (March 1955). With its handsomely landscaped surroundings, this is undoubtedly one of the most beautiful swimming installations to be seen. Dressing-rooms are under the stands in the foreground.
