

Concerning the Publication of the Results of the Games

All the remarks which have been made concerning the results which we published are to be forwarded to the Editor of the Bulletin. We shall publish them in the next issue of the Bulletin and we wish to thank in anticipation all those who will be kind enough to do so. As a matter of fact, we

are publishing these results without having received them officially from Melbourne, as is customary, but we gleaned them from the press and chiefly from *l'Equipe* to which we offer our grateful thanks for its benevolent collaboration.
