
To the National Olympic Committees

Gentlemen,

We intend to publish a brief history in our *Bulletin* of each National Olympic Committee, at a rate of two or three to each edition depending upon the rate at which they are sent to us.

We would therefore be most grateful if you would be good enough to supply us with some

details for this purpose. After reading the present edition of our *Bulletin*, you will have no difficulty in gaining some idea of what we hope to receive from you, since we will already be publishing the historical accounts of two National Olympic Committees.

Thanking you in advance.
