***We have received the following letter
from the Belgium Olympic Committee :***

Dear Sir,

We have been most surprised to read in the article 'The International Bobsleigh Federation sends a note to the International Olympic Committee' published in the Bulletin N° 62 of the International Olympic Committee, that Belgium would have decided to participate to the events of Squaw Valley.

This information is not correct. As a matter of fact, the Belgium Olympic Committee has decided not to participate in the 1960 Olympic Winter Games.

We should be grateful if you printed a rectification on this matter in the next Bulletin.

Yours sincerely.

*For the Belgium Olympic Committee:
The General Secretary,
J. CRAHAY.*
