

*The prospective meeting*  
*of the Executive Board with the National Olympic Committees* **IN ROME**

Acting on the Swiss Olympic Committee's instigation, the Executive Board of the International Olympic Committee after consulting the National Olympic Committees, has convened a Conference with them which is to be held in Rome on **May 19th 1959**. The object of this Conference is to maintain a close relationship between the International Olympic Committee and the National Olympic

Committees, and to give them the opportunity of discussing problems of mutual interest. On this occasion, the Delegates of these Committees will also be given the opportunity of inspecting the sports installations scheduled for the prospective Olympics in Rome, in 1960. More than 50 National Olympic Committees have sent their inscriptions.
