## A happy issue of the Games:

### AN OLYMPIC WEDDING

An Olympic wedding has been celebrated the day after the Closing Ceremony of the Games, when two athletes who competed in the Games were married. They were the American Bill Erikson, member of the athletics team of the U.S.A., and Fraulein Annelise Maggl, member of the Alpine events German skiing team. The wedding ceremony took place in San Francisco on the last day of February (29th). We wish to offer our heartiest congratulations to the young and sympathetic couple and our best wishes for their happiness.

### ANOTHER OLYMPIC WEDDING

Carol Heiss & Alan Jenkins, both Olympic champions in artistic skating at Squaw Valley and at Cortina d'Ampezzo, will get married on April 30. Our congratulations.
