

**Tribute paid to the Memory  
of the late  
Count Alberto Bonacossa,**

*Member of the International Olympic  
Committee for Italy from 1925 to 1953*

Thanks to the generosity of Countess Marcella Bonacossa, sister of the late Count of Bonacossa, who was a devoted and influential member of the International Olympic Committee, a room of the Olympic Museum of Lausanne, graciously put to the disposal of the International Olympic Committee by the Municipality of that town, has just been fitted with show-cases and modern furniture. A token of respect, it will perpetuate the memory of the dear departed, since this room is named: ALBERTO BONACOSSA'S ROOM; and is a tribute paid him which he fully deserved. We wish to express to Countess Marcella Bonacossa our deepest gratitude for her generosity.
