

To our Readers

We wish to remind our readers that the subscription of 10 Swiss Frs. for the Bulletin of 1961 is now due and can be paid in any foreign currency negotiable in Switzerland. We shall be grateful to our readers for kindly remitting to us this modest amount at their earliest convenience.

The budget of the Bulletin for the year 1960 alone showed a deficit of more than 15,000 Swiss Francs!

Herewith is a statement of the people who receive the Bulletin free of charge: the members of the International Olympic Committee, the National Olympic Committee the International Federations and the Press.
