
THE OLYMPIC FAMILY

THE MARQUESS OF EXETER, VICE-PRESIDENT
OF THE INTERNATIONAL OLYMPIC COMMITTEE,
HONOURED

1961 will be the 500th anniversary of the Royal Charter of Stamford where the Marquess of Exeter lives in his castle. On this occasion, both political parties of the City have asked him to be Mayor. His election will take place on May 25th. It is rather satisfactory that the family should be asked, when the first member of it to move up from the West Country was Mayor as long ago as 1504.

To celebrate the occasion H. M. Queen Elizabeth and the Duke of Edinburgh have paid the signal honour to come on an official visit to Stamford and to his new elected Mayor on June 19th.

Our congratulations and best wishes to the Vice-President of the International Olympic Committee.
