

The subscription for the Bulletin

*of the International Olympic Committee will be in the future
and from January 1st 1963 of Swiss Fr. 15.—*

Owing to the increase in the cost of printing and the price of the quality of paper used, we are obliged to raise the annual subscription to the Bulletin to Swiss Fr. 15.—. Even this price does not cover our expenses if we are to include extras, such as envelopes, postage and confection of plates, etc.

Subscribers who have already paid their subscriptions for 1962 are not asked to pay the supplement. The output for each edition is 1800 copies. We make an urgent appeal to our readers requesting them to send us their subscriptions for 1963. We thank them in advance. Excluded from this payment are the members of the International Olympic Committee, the International Federations, the National Olympic Committees and the Press.
