

Correction in the minutes of the Olympic meeting

of June 6th held in Lausanne with the International Federations

Bulletin Nr. 83, page 52, 1st column, under the title 'Affiliated and non-affiliated countries', please replace the sentence beginning in the 4th line, by the following text:

The Finnish Federation was opposed to this. The Organizing Committee had accepted the participation of China, seeing which the Finnish Federation had decided to withdraw, which was approved by us.

The French text was correct. Thanks to Mr. D.T.P. Pain, Hon.-Secr. of the International Athletism Amateur Federation for having drawn our attention on that error of translation. As a matter of fact the translation gave entirely the opposite indication.
