

C O R R E C T I O N

In the minutes of the Baden-Baden Session 1963, under item 21 (Olympic Awards) we mentioned that the *Bonacossa Trophy* had been awarded to the Australian Olympic Committee for the Perth Games. While this Committee were not directly concerned with those Games, please read that said Trophy has been awarded to a permanent body called: *Australian British Empire and Commonwealth Games Association* which organized those Games in Perth in 1962.
