

† Sudden death of Mr. Sang Beck Lee

Shortly before going to press, we learnt of the sudden death of Mr. Sang Beck Lee, member of the I.O.C. for Korea. He died on April 14th, and the sad news cast a shadow over the Olympic meetings held in Rome some days later. In our next "Bulletin" we shall write of the personality of Mr. Sang Beck Lee. We offer our deepest sympathy to Mrs. Sang Beck Lee and to the Korean Olympic Committee, of which he was president, for this cruel loss, which the International Olympic Committee feels very keenly.
