* *Will Latin America be presented at the World Games of the silent sports this summer ?*

The XIth World Games of the silent sports will be held in Belgrade on the 9th and 16th August 1969. Their success seems to be assured, as up to the present moment 35 countries affiliated to the International Committee of the Silent Sports will take part. However, the sports organizations for the deaf in certain Latin American countries (Argentina, Brazil, Chile, Colombia, Mexico, Peru, Uruguay and Venezuela) have run into difficulties over ensuring their presence in Yugoslavia. To facilitate their participation the President of the International Committee of the Silent Sports, Mr. P. BERNHARD, would like their National Olympic Committees to give them some kind of help and assistance. Would such an appeal meet with the favourable reply it deserves ?

* As a result of the Lisbon defection there will be no Universiade 1969.

The next World University Games will take place in Turin in 1970. This decision was made during a meeting of the Executive Board of the International University Sports Federation, presided over by Mr. Primo NEBIOLO.
