

THE Xth CONGRESS OF THE O.D.E.P.A.

Cali, 27th - 30th August 1969

From 27th to 30th August at Cali in the Republic of Colombia, the tenth Congress of the Pan American Sports Organisation took place, under the presidency of General José de J. CLARK

The main purpose of this Congress was to organise the Vith Pan American Games which are to be held at Cali in 1971, exactly one year before the Games of the XXth Olympiad in Munich.

Besides a revision of the rules concerning the organisation of the Games, the finalisation of the programme of events and an outline of the decisions taken by the IOC in Warsaw were also on the agenda.

Those attending the Congress received a booklet published by the permanent office in Mexico which includes notably the results of the three first at the Rome, Tokyo and Mexico Games.

In addition we noted in it the Charter signed by the O.D.E.P.A. in Winnipeg and this is published hereafter.

We list here the names of the 15 members of the IOC in the Americas at the present time and the 33 NOCs recognised by the IOC:
