

* Financing the Games:

The costs of construction (infrastructure) will be very small, since the work has already been done, for the most part, for "EXPO 67".

The public authorities, on the one hand, private investors on the other, as well as the receipts from television dues will provide the financial backing needed to cover costs.

* The Organizing Committee:

The Organizing Committee, for the candidature of Montreal for the Games of the 21st Olympiad, under the presidency of Maître Jean DRAPEAU, comprises prominent members of the Canadian government, the Canadian sports movement and the City of Montreal.

* Dates planned:

From Saturday July 17th to Sunday August 1st.
