

## CINEMA AND SPORT

\* It has been announced by its President, Mr. G. de TOMASI, that the International Sports Film Festival will take place this year at the Grand Hotel Savoia in Cortina d'Ampezzo from 2nd to 8th March.

This competition has the object of encouraging and giving value to the use of the screen in the field of sports, and to underline the utility of motion pictures as an exceptional vehicle for teaching the technique, for publicising sports, for documentation, for divulging hygienic and sanitary regulations.

Special prizes will be awarded to:

- the nation obtaining the best number of films receiving prizes or mention in the various categories;
- the best documentation of international competitions;
- the best feature film having a recognised sporting character;
- the best film in colour;
- the film in which the best use has been made of slow motion and animated drawing.
