

...and the others

during the World Championships, the President, Mr. J.F. AHEARNE, confirmed during a press conference:

“Concerning Canada’s eventual participation in the Olympic Games in Sapporo and in the World Championships next year, we shall make a decision at the beginning of June”. He was particularly insistent that the International Ice Hockey Federation is opposed to participation by professionals.

Fédération Internationale de Tir à l’Arc

* On the occasion of the 1971 World Archery Championships, President Avery BRUNDAGE sent the following message to Mrs. I.K. FRITH, President of the F.I.T.A.:

“Next year we will have the pleasure of welcoming archery to the Games of the XXth Olympiad in Munich and, therefore, hope to add the blessing of that celestial archer, Sagittarius. We are happy to have this fine old sport from the days of Robin Hood and before on the programme under the auspices of the Fédération Internationale de Tir à l’Arc and its competent President, Mrs. I.K. FRITH.

In the meantime, we send a warm greeting and our best wishes to the 1971 World Championships.”

Fédération Internationale de Roller-Skating

* We have learned of the death on February 15th last in Clarense (Switzerland) of Mr. Fred RENKE-WITZ, President-Founder of the Fédération Internationale de Roller-Skating, which he has managed since its foundation in 1924 until 1960. We send our sincere condolences to the members of this federation.

* Calendar of different international events:
