

## President Brundage's visit to Augsburg

*Accompanied by members of the Munich Organising Committee, President BRUNDAGE examines a canoe.*

At the conclusion of the International Olympic Committee meetings in Lausanne, President BRUNDAGE proceeded to Munich, where he could note, three months before the Games, the progress of the operations.

In Augsburg, where the canoe events will be held from August 28th to 30th, the President admired at length the slalom course prepared in the center of a park in the south of the city.
