Paris, 20th July 1911

Dear Sir and Colleague,

A Committee was named by you last year, composed of the Board and Messrs. de Courcy Lancy and de Venningen, to study the programme of the Olympiads. This task is now being combined with the preparation of the Paris Congress, and I would be grateful if you would kindly permit me to add to the said Committee Mr. E. Callot, Professor W.M. Sloane and Baron de Tuyll. The first two gentlemen are founders of our Committee and the third has been a member for thirteen years. Their advice is necessary to us in order to carry out such a considerable task.

I would be grateful if you would send me a photograph of yourself for our Album.

I am taking this opportunity to remind you once again to read the Olympic Review and would ask you to keep us informed of the work of the Olympic Committee in your country.

Yours sincerely,
Pierre de Coubertin
President of the International
Olympic Committee
