

Willi Daume celebrates his 60th birthday

On the 30th June, the City of Kiel organised a reception in honour of Mr. Willi Daume, Vice-President of the IOC and President of the "Nationales Olympisches Komitee für Deutschland". It was his 60th birthday.

On this occasion, Professor E. Hojer, Rector of the College of Sport in Cologne, presented him with the diploma Honoris Causa es Sportive Science.

This important distinction, awarded for the first time, rewards the merits of Mr. Willi Daume in his action as propagandist of Sport.

Afterwards, Mr. Avery Brundage, the Honorary President of the IOC gave a reception in honour of Mr. Willi Daume who had for a long time been one of his most devoted colleagues. Numerous German and foreign personalities were thus able to pay tribute to Willi Daume to whom we present our most sincere congratulations.
