

1974: XIVth Session of the IOA

At the same time each year, the Hellenic Olympic Committee invites NOCs to send participants to the Session of the International Olympic Academy, presided over by Mr. Epaminondas Petralias.

This year, the 14th Session will take place at Olympia from 19th July to 3rd August. On this occasion the IOA requests that NOCs send former Olympic medallists or participants.

The subjects which will be dealt with are as follows:

1. Main subject: The International Olympic Movement.
2. Special subject: The Modern Olympic Games.
3. Open subjects: The preparation of participants at the Olympic Games. Lectures by Olympic medallists.

The official languages are English, French and Greek. Accommodation will be arranged from 19th July to 3rd August, visiting expenses being up to US\$ 12 per person per day. However, as is customary, the Hellenic Olympic Committee will offer to pay the entire way for one participant from each NOC.

Those wishing to take part in the Session must address themselves to the National Olympic Committee of their country. Each NOC has the possibility of sending 7 candidates, but in principle, none of these should have already attended a Session.

For wall further information we would ask you to write to the International Olympic Academy, 14 Kapsali Street, Athens 138, Greece. Tel: 711.666.
