

### **The olympic family increases**

All the IOC members present at the Session will not fail to congratulate two proud grandfathers.

Mrs. William Bryden, Lord Killanin's daughter, gave birth to Marie Kate at the beginning of April. With Dillon, Marie Kate's brother and Oliva (one year old) daughter of Edmond Morris—the president's eldest son—Lord Kilanin becomes a grandfather for the third time.

Mr. Raymond gafner, IOC member for Switzerland and thus host of the 76th Session of the IOC, announces the arrival of Lauraine, his first grand-daughter.

We would like to send the grand-parents, parents and children our congratulations and best wishes for their happiness.
