

Towards new shores...

For more than four years, all of those who have had the occasion to know or to work with Miss Kathryn Turner have grown to appreciate and like her.

Her pleasant disposition, kindness, constant good humour, working spirit and simplicity won the hearts not only of her acquaintances, but also of members of the international Olympic Committee or sports leaders who visited chateau de vidy or who met her during the many meeting she attended in her capacity as Secretary to the IOC Director, Mrs. Monique Berlioux.

Indeed, it was at one of these meetings that she came to know Daniel Normandeau, a young Quebecois working in the protocol Department of the

Organising Committee for the Games of the XXIst Olympiad in Montreal, who in a few months' time is to become her life companion.

"Kate" is leaving us on 31st January, set for Canada, but we are sure she will never forget the idea of Olympism which was her daily preoccupation throughout these four years, but which has equally changed the course of her life.

The IOC offers the future couple its best wishes for happiness and success.

At the same time, another change is going to affect the IOC Secretariat in Vidy. Miss Judith Gilson, Secretary to the Technical Director, Mr. Henry R. Banks, for the last two years, is also leaving us for personal reasons. She will perhaps be staying in Switzerland. We very sincerely wish her every success in her new pursuits.
