

Los Angeles - 1984

Guarantee Paid

In observance of the deadlines imposed on it at the last meeting of the IOC Executive Board, held on 29th and 30th January in Lausanne, the Organising Committee for the Games of the XXIIIrd Olympiad in 1984 in Los Angeles, has paid the financial guarantee which had been requested of it, that is, the sum of 500,000 Swiss francs.

This banking operation precedes by several days the signing of the second contract between the IOC and its two American partners, the United States Olympic Committee and the Organising Committee for the 1984 Olympic Games.
