

## A footnote to the meetings

*Lord Killanin, President of the IOC, welcomes Mr. Song Zhong, Secretary General of the Sports Federation of the People's Republic of China.*

● **Mr. Thomas Keller**, in a Zurich hospital, his leg in a cast, was unable to act as the spokesman for the delegates from the International Federations. The "Olympic Review" extends its best wishes for a speedy recovery. Designated to replace Mr. Keller in his duties was General Thofelt, President of the Union Internationale de Pentathlon Moderne et de Biathlon, with the assistance of Mr. Charles Palmer, President of the Federation Internationale de Judo.

● **Dr. Helmut Käser**, Secretary General of the Federation Internationale de Football Association, has informed us of his private wedding to Miss Hannelore von Wartburg. We extend to the newlyweds our wishes for the greatest possible happiness.

*A moment of emotion and joy at the opening of the recent IOC/IFs meeting, when the President of the IOC, Lord Killanin, presented Mr. Charles Riolo (SUI) with the bronze medal of the Olympic Order, which had been awarded to him at the IOC Session in Athens. The award was deserved recognition of the well known recipient's thirty years' involvement in sport as a participant and an official. He served from 1955 to 1977 as the very efficient Secretary General of the Fédération Internationale des Sociétés d'Aviron and currently holds office as Treasurer of the GAISF.*
