No. 149		
March 1980		

### ***To our readers***

*Our March issue is devoted entirely to the XIIIth Winter Games and to the Olympic meetings held in conjunction with the Games in Lake Placid.*

*Owing to current circumstances, and for this occasion only, our regular columns, such as "Within the International Federations" and "Around the National Olympic Committees", do not appear in this issue. Publication of these columns will be resumed in our next issue.*
