

ABC SPORTS

The American Network of the Olympics

In 1984 at Sarajevo and Los Angeles, the great tradition of the Olympic Games on ABC Sports will continue, with all the excitement and drama that made past telecasts unforgettable to the American people.

The Spirit of Sports

As an official Moscow Olympics supplier, Mizuno dressed and shoed the runners who carried the Olympic Torch from Olympia to Moscow.

At the games, the Mizuno Service Shop assisted both athletes and officials.

Mizuno is Japan's oldest and largest sporting goods company and its development has closely paralleled the rise of sports in modern Japan. Now, after 75 years of growth, Mizuno has become a major force in international sports. And Mizuno continues to support the spirit of sports and the Olympic movement.
