Re: 1982 "Olympic Order"

...Each year, the International Olympic Committee awards gold, silver and bronze medals of the "Olympic Order" to individuals having illustrated the Olympic ideal through their actions, who have rendered outstanding services to the Olympic cause, either through their own personal achievements or their contribution to the development of sport

I would kindly ask you to submit any recommendations concerning the 1982 award of the "Olympic Order", to the general secretariat of the International Olympic Committee before 30th April 1982. A decision will be taken during the 85th Session of the IOC which will be held this May in Rome. In this respect, please find

enclosed a form which I would ask you return, duly completed, to the Director of the IOC...

Re: Advertising on competitors' and officials' clothing or equipment.

...Following the decision taken by the Executive Board at its meeting this month in Los Angeles, and in order to avoid any problems at the time of the 1984 Olympic Games – both in Sarajevo and in Los Angeles – I should like to remind you now, before your NOC begins its preparations for 1984, that Rule 53 of the Olympic Charter will be enforced in the most strictest way...
