

FOUNDATION DAY AND ANNUAL SOCIAL, Referees' Association, Asansol (RAA), printed by the Calcutta Printers, Asansol (IND), January, 1984. 13 pages of text in English.

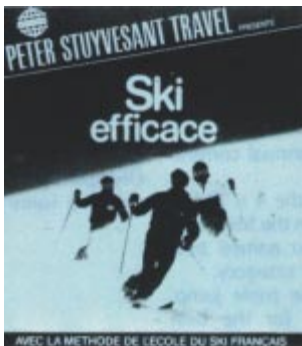

Commemorating the organisation's twenty-fourth anniversary, this booklet features positive messages defining the vitally important role of well-trained referees and their duties in the advancement of sport in India and the world. Included are two relevant articles by RAA members: "Violence, in Football Stadiums Must Be Stamped Out" (reprinted from Olympic Review, No. 182) by Shih Sanatan Banerjee and "Athletics for the Masses" by J. S. Walia.

DEFENSE POUR TOUS, (Defence for All), by Roland Habersetyer, published by Amphora SA, 14, rue de l'Odéon, 75006 Paris, 1984. 198 pages, in French. Price : 98FF.

A practical guide that teaches a method of self-defence whose elements are borrowed from judo, karate, aikido, jiu-jitsu and Chinese boxing. 730 drawings of 200 reactions against more than a hundred types of aggression. Includes exercises for self-defence training for women. For learning to fend off all untimely attacks, without weapons, but with self-confidence.

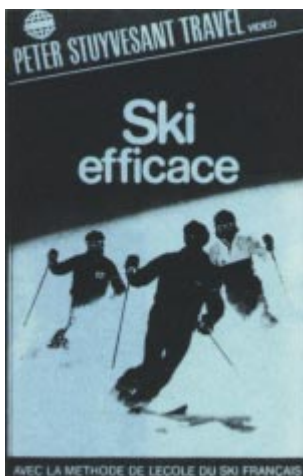

SKI EFFICACE (Effective Skiing) by Yves Gaudez, 150 pages, in French, 95 FF, + video-cassette (60m), 260 FF. Editions Chiron-Sports, 40, rue de Seine. 75006 Paris.

Its usefulness as teaching material and the quality of the presentation make this work a new approach to recreation in the snow. It also contains an equipment guide and a guide to French

skiing resorts. The method suggested is that of the French school of skiing, the method which took Jean-Claude Killy to the top.

Can you learn to ski sitting in an armchair? Certainly not, but the video which accompanies this book provides dynamic backup to its demonstration of the principles which must underlie the preparation for Alpine skiing at any level.

With this first video, we are expanding the scope of our bibliography. from now on, in these pages, we shall also be introducing new videos on the subject of sport

COMPORTEMENTAL (Performance Oriented Handball), by Jacques Mariot/François Rongéot. Editions Vigot Sport et enseignement (sport and teaching), 23, rue de l'École de Médecine, 75006 Paris, 207 pages, in French, 125FF.

A sequel to "la formation du joueur" (the player's training) and "l'apprentissage à la compétition" (apprenticeship for competition), this book is a collection of over 500 exercises for players at every level. With its clear pedagogical approach, this book will provide support for all teachers and trainers in the preparation of their sessions.

HISTORY OF THE FÉDÉRATION INTERNATIONALE DE IR À L'ARC, compiled by Robert J. Rhode. Published in two volumes - I: 1931-1961 and II: 1962-1983. 534 and 1036 pages, respectively, in English. Copies may be obtained by writing to the FITA President Mr. Francesco Gnechchi-Ruscone, Via Cerva 30, 20122 Milan (ITA).

ARC, sport, chasse et loisirs (ARCHERY, sport for hunting and recreation), by Françoise Avon-Coffrant, in the Sport et Loisirs (Sport and Recreation) series, Editions Amphora S.A., 14, rue de l'Odéon. 75006 Paris. 175 pages, in French, 90 FF.

Archery, which became an Olympic discipline once more in 1972, is practised in many forms : as a competitive sport, within a particularly active International Federation, in a spirit of pure recreation, or for hunting, which is more difficult that it might seem.

The sophisticated technique necessary for obtaining good scores, the rituals, the terminology, the equipment for this sport, which has been codified since ancient times, are presented simply and with a large number of details and photos, in a work which is accessible to everyone.

CNOTY I BLEDY by Witold Dunski. Published by the Wadawnicza Agency, Warsaw, (POL) 1983, 156 pages, in Polish.

A collection of articles on the theme of sport and particularly the educational and human aspects of the Olympics, written between 1972 and 1980 for the daily paper "Sportowiec", by the new Chief Sports Editor of the Polish Interpress Agency.
