FIQ

We have received the following items of information from the International Bowling Committee (FIQ) :

— Mr. Roger H. Tessman (USA) has been elected President of the Federation Internationale des Quilleurs. Mr. Tessman has served the last year as Acting President after the death of Mr. Soetopo Jananto, who was elected President in 1983.

— In the Tenpin Division of the FIQ there will be a change in the leadership. The former President of the Division, Dr. Eero Routamo, decided to step aside in the middle of his term of office, and he will be replaced by the former Vice President, Dr. Alonso Roy (PAN), as the President of the Tenpin Division.

— On November 1st Trinidad and Tobago was granted provisional membership in the federation. But as at the same time-we -were informed that the Islamic Republic of Iran terminated their membership, the number of affiliated federations remained the same 71. The total number of individual members in the federations is now up to 11 million.
