## DAY TRIP TO FRIBOURG

The IOC President concluded his tour of the cantonal capitals of the French-speaking part of Switzerland with a trip to Fribourg on 17th February. He was received there by the legislative and municipal authorities of the canton.

*“When I became President of the IOC, the wisest decision I made was to make my home in Switzerland”,* said President Samaranch. *“Having visited the NOCs of 145 countries to date”,* he went on, *“it is natural that I should wish to get to know better the country with its many States which has been the IOC’S constant and generous host since 1915”.* This series of courtesy visits will be continuing in the near future with the capitals of the German-speaking cantons.
