COME TOGETHER NEXT YEAR IN CALGARY

On behalf of the volunteers, staff and the Board of Directors of OCO'88, we would like to extend our warmest wishes to you for the coming year. With the arrival of a new year, we move closer to our goal of hosting the best ever Olympic Winter Games in 1988. During those Games, we hope to create the same goodwill and peace that is an integral part of the Christmas season.

Both Christmas and the Olympics are centuries-old traditions, and while both customs have evolved over time, for different reasons, they still survive because of their powerful ability to unite people.

In twelve months' time, the magic of the XVth Winter Games will bring people together in Calgary. We invite you to join us and share in the growing excitement.
