

92nd Session

On behalf of all Turkish Olympians, I would like to express my gratitude to all IOC members and especially to H.E. Mr. Juan Antonio Samaranch, for having given us the honour of organizing the 92nd Session, during the 87th Session held in Sarajevo.

In order to achieve successfully the 92nd Session, which will assure a great support to the Turkish Olympic Movement, our Organizing Committee is trying to do its best within the limitations of our modest possibilities in order to permit to our guests an excellent stay in a short time and to make forget them the fatigue of the 91st Session.

The Turkish National Olympic Committee, founded in 1908, is completely aware of the great meaning of the IOC Sessions from which today the world of Olympism is expecting many things.

In spite of our efforts and sensitiveness, I hope you will tolerate our mistakes and I kindly ask you to be sure of my happiness to see once again all together my colleagues and their partners.
