

CORRECTION AND DETAILS

Roger Ames, whose work we presented in our December 1988 edition (No. 254) is of course the sculptor of "Ice Dance", shown on the last page of the cover and wrongly attributed to Allwin Davies. We apologise to the artist for this error. The photographs of the sculptures were taken by Barrie Davies.

Readers interested in these works may contact Roger Ames directly at the following address: 30 Cornelia Crescent, Parkstone, Poole, Dorset (GBR).
