

■ *The International Dance and Research Congress* will be held from 3rd to 7th July 1989 in Brussels. The aim is for researchers the world over to meet practitioners of dance — choreographers, teachers, performers, artistic directors, managers — and to inform them of their latest findings.

For further details, contact: Prof. C. Brack, President of the Dans-Universiteit/ Dans Universit , VUB-HILOK, Pleinlaan 2, B-1050 Brussels, Belgium.

■ *The Jyvaskyla Congress 1989* from 17th to 22nd June has the theme "Movement and Sport — A Challenge for Life-Long Learning". A multidisciplinary programme will analyse current studies on the practise of sport at all stages of life. Needs and abilities of different age groups will be examined, together with the implications for teaching.

Details can be obtained from Prof. Risto Telama, University of Jyvaskyla, SF-40100 Jyvaskyla, Finland. Tel.: (358.41) 291848 (office) or 641413 (home).

■ *The FIMS XXIVth World Congress of Sports Medicine* will be organized by the Dutch Association of Sports Medicine from 27th May to 1st June 1990. The theme, "Sport, Medicine and Society" will be dealt with in relation to cardiology and internal medicine, orthopaedics, physiology, biomechanics and behavioural science.

People interested should contact: RAI Organisatie Bureau Amsterdam bv, Europa-plein 12, 1078 GZ Amsterdam, The Netherlands. Tel.: (31.20) 5491212 extension 1764; fax: 464469.

■ The VIth Congress of the International Association of Rehabilitative Medicine will be held in Madrid (ESP) from 17th to 22nd June 1990.
