## COMMISSION MEETINGS

The last month of the year is a good time for commission meetings. After the Athletes' Commission, it was the turn of the members of the Commission of the Olympic Movement to gather in Olympic House, then for those of the Commission for Olympic Solidarity. In the photo, one can see, during the course of this meeting, Messrs Anselmo Lopez, Director of Solidarity, Marian Renke, Secretary-General of the ANOC, Mario Vázquez Raña, President of the ANOC and Juan Antonio Samaranch, IOC President.
