CMAS

The world's first pool exclusively for fin swimming opened in Zhanjiang in Guangdong, China, last year. Zheng Shi-Yu, a member of the Chinese national team, has already used the pool, built to CMAS specifications, to set three new women's world records: Surface: 100m in 42'50; immersion : 50m in 17'19 and 100m in 37'92.

China is continuing to take the initiative in this discipline, with another 50m pool already under construction in Dalian in Liaoning province.

## CONGRESSES FIEP SEMINAR ON THE SPORTS PRESS

An international meeting of editors of physical education and sports journals published in Europe will be held under the aegis of the FIEP (the International Federation of Physical Education), in Nis in Yugoslavia from 2nd to 6th April next. This seminar aims to promote the exchange of experiences concerning the publication of professional papers, bearing in mind the strengthening of co-operation between the various editors. The main subjects treated will be the orientation of the different publications represented, financial questions, the choice and possibility of exchanging articles.
