

## TRIBUTE TO THE ATHLETES

The focus will be on the Olympic athletes during the Games of the XXVI Olympiad in Atlanta this coming July, not only in the stadiums but also at the first “Visa Olympic Reunion Center\* at the Georgian Terrace. Organized by the United States Olympic Alumni Association, this centre will enable all athletes who have taken part in the Olympic Games to renew friendships, share memories and relax during the Centennial Games in 1996. For Bill Toomey, decathlon gold medallist at the Mexico City Games in 1968, it will be “a haven of tranquillity for Olympic athletes, an oasis where [we] can meet to enjoy some peace and quiet in the hectic atmosphere of Atlanta”.
