p. 58 Table of women participants in the Games of the Olympiad
Dr. Uriel Simri has pointed out that 7 women took part in the artistic skating events at the 1908 Olympic Winter Games in London, and that 12 took part in the 1920 Games in Antwerp. The table should therefore read as follows:

Year	Sport	Events	Country	Women participants
1908	3	4	4	43
1920	3	8	13	89
