COMPLETE LIST OF OLYMPIC CHAMPIONS

with Winners' performances and records

RÉSULTATS ET TABLEAU D'HONNEUR

A propos des prix et classements aux Jeux

Les prix consistent en médailles olympiques et diplômes. Le vainqueur reçoit une médaille en VERMEIL (et non en or). Il n'y a qu'un seul VAINQUEUR, aussi bien pour les épreuves individuelles que pour celles par équipes. Les deuxième et troisième classés reçoivent respectivement une médaille en argent et une en bronze. Il en est de même pour les équipes dont chaque équipier reçoit une médaille correspondant à son rang. Tous ont droit au diplôme.

Les noms des vainqueurs seront gravés sur les murs du stade où les Jeux auront été inaugurés et clos. Il n'existe aucun classement par points, mais un tableau d'honneur est dressé portant les noms des six premiers concurrents classés dans chaque épreuve.

Il n'existe pas de classement par nations.
