We have received...

Le compte rendu officiel (en 4 langues) du Premier Congrès international des chronométrateurs sportifs qui s'est tenu à Rome du 2 au 8 juin 1949. Edité par la Fédération italienne de chronométrage, ce rapport fort intéressant contient 191 pages de texte et résume toutes les discussions qui ont été tenues au dit Congrès.

The official proceedings (in 4 languages) of the 1st International Congress of sporting chronometrists which was held in Rome, from June 2nd to 8th, 1949. Edited by the Italian federation of chronometry, this very interesting report contains 191 pages and gives a summary of all the discussions which took place at the Congress.

D'HENRI POURET

La sagesse invite les nations à suivre l'exemple de l'escrime: « l'art des armes » est devenu « le sport de l'escrime ».

Les rameurs tournent toujours le dos à leur parcours... les galériens aussi.

Avec Messidor, l'homme se croit assez fort pour pratiquer les sports individuels; en Brumaire, beaucoup se livrent aux sports d'équipes.

Il ne faudrait pas que le sport se scindât en deux parties: l'une allant vers le music-hall et l'autre vers la gymnastique médicale.
