## SYDNEY SEMINARS IN SPORTS HISTORY

Currently there is a growing body of academics, journalists and post-graduate students in the Sydney area involved in the serious study of the history of sport. Richard Cashman has initiated a workshop/seminar series for 1985. The primary aim is to provide a forum for honours and postgraduate students but the seminars will also be addressed by visitors of note and the occasional staff member or journalist or publisher.

The first meeting was held in March at which Gerald Howat, biographer of cricketers Constantine, Howatt and Warner, spoke on the topic, "Problems and Possibilities of Writing Sport Biography."

Sydney members of ASSH who are interested should contact Dr. Richard Cashman, School of History, University of New South Wales, P.O. Box 1, Kensington, N.S.W. 2033. Telephone: (W) 697 2338; (leave message) 697 2344 (H) 569 6836
