

EDITORIAL

Bulletin No.3 is the first of two issues for 1986. It is pleasing that membership of ASSH, including institutional membership, now exceeds 200. For the benefit of the new members, it is appropriate to repeat that the success of the Bulletin is dependent upon contributions from members and I look forward to receiving information and material such as:

Conference reports and publicity; overseas news; appeals for information; research in progress; outlines, ideas and methodologies for teaching sport history subjects; bibliographies on specific topics; recently completed books, articles, theses, etc. by members; research problems and topical issues.

COPY DEADLINE for the next edition is August 31, 1986.
